

13. ZERO SUBJECT ENROLMENT

No students will be allowed not taking subject in any semester unless they have obtained prior approval from the Programme Leader and the Head of Department and in any case not later than the end of the add/drop period; otherwise they will be classified as having unofficially withdrawn from their programme. Students who have been approved for zero subject enrolment (i.e. not taking any subject in a semester) are allowed to retain their student status and continue using campus facilities and library facilities. Any semester in which the students are allowed not taking subject will nevertheless be counted towards the maximum period of registration.
