7. STUDENT STATUS

7.1 Students’ eligibility for the range of services provided by the University will be governed by the students’ status, which is determined with reference to the mode of attendance of the programmes enrolled and/or the study load as described in Sections 7.2 to 7.8 below.

Full-time students:

7.2 Students enrolling on full-time/sandwich programmes or on mixed-mode programmes, with a study load of 9 credits or more in a semester, are classified as full-time students. Students on full-time/sandwich programmes or on mixed-mode programmes who wish to change their study load to less than 9 credits in a semester will have to seek prior approval from their Department. Students who enroll on full-time programmes but have been given permission to take less than 9 credits in a semester will be given the option to pay credit fees. If students wish to exercise such option, they have to inform the Department before the end of the add/drop period of that semester.

7.3 Full-time local students enrolled on UGC-funded programmes are eligible to apply for financial assistance from the Government in the form of grant and loan. Government grant and loan may not be granted beyond the normal period of study for the programme.

Part-time students:

7.4 Students enrolling on part-time, distance learning, online, and mixed-mode programmes, with a study load of less than 9 credits in a semester (unless otherwise approved by the Department), are classified as part-time students.

Mixed-mode students:

7.5 Students enrolling on mixed-mode programmes are classified as mixed-mode students. They may engage in a full-time or part-time study load and attend classes either in the daytime, in the evening, or a combination of both. If the mixed-mode students take subjects with a study load reaching the minimum requirement of a full-time student, they will be given full-time status in that semester. If their study load does not reach this minimum of 9 credits, they will be given part-time status (unless otherwise approved by the Department).

Self-paced students:
7.6 Students who wish to study at their own pace instead of following the specified progression pattern will have to seek prior approval from their Department. These students are referred to as self-paced students.

7.7 Students who register on programmes without any specified progression pattern are also known as self-paced students.

Subject-based students:

7.8 Students who wish to take individual subjects, but do not wish to register as a candidate for an award, are classified as subject-based students.
