APPLICATION FOR THE ISSUE OF
A PUBLIC NON-EXCLUSIVE TELECOMMUNICATIONS
SERVICE (“PNETS”) LICENCE FOR THE PROVISION
OF EXTERNAL TELECOMMUNICATION SERVICES

NOTES:

1. The applicant should read the Guidance Note for the Application for Licences for the Provision of External Telecommunication Services before completing this form.

2. This application form MUST be completed in all parts. Incomplete application form may cause delay in processing.

3. The completed form, together with the required supporting documents should be submitted to:

   Controller of Telecommunications (Competitive Services)
   Office of the Telecommunications Authority
   29/F   Wu Chung House
   213 Queen's Road East
   Hong Kong
   Tel: (852) 2961 6654

4. The applicant may attach additional sheets of paper if the space provided in the application form is not enough. All documents submitted to the Office of the Telecommunications Authority will not be returned.

SUPPLEMENTARY NOTES ON THE PROVISION OF PERSONAL DATA:

1. The provision of personal data by means of this application form is voluntary. If you do not provide sufficient information, we may not be able to process your application.

2. The personal data provided by you will be used by the Office of the Telecommunications Authority for processing your application made in this form.

3. The personal data you provide by means of this form may be disclosed to other government departments/agencies in connection with the assessment of your application.

4. You have a right of request for access and correction with respect to your personal data. Your right of access includes the right to obtain a copy of your personal data provided by this application form, though a charge may be levied on obtaining such information.

5. Enquiries concerning the personal data collected by means of this form, including the making of request for access and correction, should be addressed to:

   Public Affairs Officers I
   Office of the Telecommunications Authority
   29/F   Wu Chung House
   213 Queen's Road East
   Hong Kong
   Tel: (852) 2961 6752
   Fax: (852) 2803 5112
### PART A  APPLICANT'S DETAILS

1. **Company Name:**

2. **Registered Office Address:**

3. **Correspondence Address:**

4. **Contact Person:**

5. **Telephone**

6. **Fax No.:**

### PART B  SYSTEM AND SERVICE DETAILS

1. **Service and/or Trade Name (if any).**

2. **Description of the telecommunications system to be installed for the operation of the proposed service and how the telecommunications system is to be interconnected with other local/external public telecommunication networks/services (e.g. Fixed Telecommunications Network Services, International Private Leased Circuits etc.)**  
The applicant is required to submit a detailed system configuration or network diagram to illustrate the proposed interconnection arrangement, including:
(a) the parties to be interconnected with (e.g. the fixed telecommunications network service operators, another international simple resale operators etc.) ; and
(b) the media for interconnection (e.g. by switched circuits, by local/international private leased circuits etc.). If interconnected by leased circuits, the capacity of the leased circuits should also be identified.

1. If the applicant is a company incorporated in Hong Kong, it is required to submit a copy of its Certificate of Incorporation and Business Registration Certificate. If the applicant is a company incorporated in overseas, the Telecommunications Authority may also consider its application provided that it has registered under the Companies Ordinance (Cap. 32) as an overseas company. In this connection, the applicant is required to submit a copy of its Certificate of Registration of Overseas Company and Business Registration Certificate to the Telecommunications Authority for examination.

2. Details of shareholding structure. The applicant is required to provide document showing the authorized, issued and paid-up share capital and the current share holding structure of the company, e.g. "Form AR1 -- Annual Return" or Memorandum Articles of Association of the Company together with the "Form SC1 -- Return of allotments", if applicable.

3. List of directors and principal officers. The applicant is required to submit a copy of the documents that it filed to the Companies Registry, i.e. "Form D1 -- Notification of first secretary and directors" and, where applicable, "Form D2 -- Notification of changes of secretary and directors” to the Telecommunications Authority for examination.
PART D

FINANCIAL INFORMATION

1. The applicant must have the financial capability and willingness to invest sufficient capital to provide a satisfactory service. Applicant is required to:
   (a) submit a statement to show the planned capital expenditure for the proposed service in the first three years of operation;
   (b) submit a budget Profit and Loss Statement for the proposed service for the first 3 years of operation. The Statement should include clearly the annual revenue and major operating cost items (e.g. labour, depreciation, cost for International Private Leased Circuits, payment for Local Access Charge, etc.); and
   (c) submit documentary evidence to substantiate that applicant has the financial capability to meet the capital expenditure and support the operation of the proposed service. Examples of documentary evidence may be bank confirmation of the amount of deposits and/or available credit facilities, copies of the audited accounts of the applicant showing that there is sufficient internal funds available etc.

PART E

TECHNICAL SUPPORT DETAILS

1. Description of the technical support facilities in Hong Kong

2. Description of the technical personnel responsible for day-to-day operation and maintenance of the support facilities

3. Description of the routine maintenance procedure.
PART F  EXPERIENCE IN TELECOMMUNICATIONS

1. The applicant must have the capability of running the proposed service to the satisfaction of the Telecommunications Authority. This includes the expertise required for the operation of the proposed service. Previous experience in operating telecommunications services in Hong Kong or overseas will be considered. The applicant may list out his/her experience in telecommunications for the Telecommunications Authority’s consideration.
